

The support service
for mission workers

SYZYGY

MISSIONS SUPPORT NETWORK

Syzygy provides member care and practical support for mission workers. Many of them don't function at their best due to lack of care and resources. We're here to fix that! Our services include:

ROADSIDE ASSISTANCE

We're there for you when you break down. Advice on stress, debriefing, mentoring and hospitality can help get you back on the road.

RELAY

Wherever you're going, we'll help get you there! We provide practical support, from lending you a car to advice on preparing for re-entry, with online guides on our website.

HOMESTART

When things start going wrong in the field, we can help by providing pastoral visits, problem solving, crisis management and relief staffing.

For more information about these and other services visit our website:
